

ADDRESSING OUR Facility Needs in A-P Schools

On **Tuesday, November 5, 2024**, our community will vote on a proposed bond issue for the Aplington-Parkersburg Community School District. An approved bond would allow A-P to:

- Reimagine the school in Aplington as a PK-6 facility serving the entire A-P district
- Make improvements at the high school campus in Parkersburg, transforming it into a 7-12 facility
- Provide more Career and Technical Education space

Under this plan, investments would be made in both of our communities

PROPERTY TAX IMPACT

With an approved bond, property taxpayers would see an impact of **\$2.70 per year on every \$1,000** of taxable property value (not assessed value).

- ▶ This would result in an additional \$19.76 per year based on a residence with an assessed value of \$200,000.
- ▶ Commercial property with an assessed value of \$500,000 would see an increase of \$101.25 per year.
- ▶ Agricultural land would see 30 to 38 cents per acre based on \$1,800 to \$2,300 assessed value.
